Catering & Bar Equipment Hire

Event Equip

Catering, Bar Equipment Hire specialists & commercial kitchen space hire

At Event Equip Hire we pride ourselves on providing an extensive range to the catering trade and event organisers for corporate and private events as well as dealing direct with the public. We are geared to meeting exacting delivery timescales and trained to understand the internal workings of individual venues.

Event Equip Hire works very closely with some of the best-known caterers in Merseyside and has gained sole supplier status with several of them. We owe our success to our fresh innovative and forward-thinking approach together with a strong team which has helped us to grow in stature and credibility within the industry.

We believe in our values of "Service Quality and Commitment" so you can be assured of not only great products but great service too.

Environment and Social Responsibility

Event Equip Hire is committed to leading the industry in minimising the impact of its activities on the environment. The key points of its strategy to achieve this are:

Minimise waste by evaluating operations and transport arrangements ensuring they are as efficient as possible.

Use recycled products when possible, and choose environmentally friendly and biodegradable chemicals for processing whenever possible - Event Equip Hire test all new more environmentally friendly cleaning chemicals and introduce them per performance.

Minimise packaging and reuse all protective containers and boxes used in the transportation of our hire items

When sourcing a product range to consider the environmental impact of both production and distribution before adding to our hire range

Catering & Bar Equipment Hire

At Event Equip hire we want to provide the best possible choice, value and service to our customers. To be able to do this consistently we need to know what our customers want, which means that we will always seek their views and feedback, monitoring satisfaction, reasons for non-hire and any complaints.

We are proactive in meeting your needs through our service levels outlined in our customer service policy (details available on application)
